Photos from Monday 9th September @ 2.50pm

A line of Cars waiting to get under the school building to the drop and kiss area to collect their Children. These Cars will be forced to queue on Fox Valley Road at the round-a-bout or traffic lights. Cars will not be able to get in until others come out.

> Cars were also queued behind me.

^ Above is the numerous cars parked where these apartments will be while there the existing line of cars as shown above also waiting to access the designated parking area.

Please also note the School Bus on the left. There has been no consideration for any parking spaces for the 2 busses owned by the school
