2. Building E Street Frontage Height

Future development application(s) shall include amendments to the height of Building E, demonstrating that the southern most 10 metres of the building measured from the street wall does not exceed a maximum height of RL 54.53.

**SCHEDULE 3
FUTURE ENVIRONMENTAL ASSESSMENT REQUIREMENTS**

- (k) Schedule 3 – Future Environmental Assessment Requirement 1 is amended by the insertion of the **bold and underlined** words / numbers and deletion of the ~~bold struck out~~ words/numbers as follows:

1. Building Separation/Setbacks

Any future application shall indicate that Building ~~E~~ **F** (above Level 1) shall be setback no less than 14 metres from the western site boundary.

- (l) Schedule 3 – Future Environmental Assessment Requirement 6 is added by the insertion of the **bold and underlined** words / numbers as follows:

6. On-Street Car Parking

Future development application(s) shall demonstrate that any proposed future vehicular access arrangement for the childcare centre will not result in a reduction in the number of existing long term (i.e. non pick-up / drop-off) on-street car parking bays on King Street.

- (n) Schedule 3 – Future Environmental Assessment Requirement 7 is added by the insertion of the **bold and underlined** words / numbers as follows:

7. Design of Building C,D,E and F

Future development application(s) shall demonstrate that any development facing Centennial Apartments, King Street and Dangar Street shall manage light spill and also adequately consider potential noise impacts.

- (o) Schedule 3 – Future Environmental Assessment Requirement 8 is added by the insertion of the **bold and underlined** words / numbers as follows:

8. Design of Top Storey of Building D

Future project / development application(s) shall demonstrate that the top storey of Building D and associated structures (above RL 57.753) provide an appropriate setback behind the street frontage height so it is not visible from a pedestrian's perspective on the footpath on the eastern side of Dangar Street directly opposite the building and:
