Dear Ms Briggs

Lynelle

Camden Gas Project Stage 2 MOD 13 (DA 282-6-2003-I MOD 13)

The Department has completed its assessment of the merits of a modification application for the Camden Gas Project.

In accordance with the Minister's delegation dated 14 September 2011, the application is referred to the Planning Assessment Commission for determination, as the applicant, AGL Upstream Investments Pty Limited has made reportable political donations.

The Department received a submission from the Environment Protection Authority, which supports the proposal.

I have attached a copy of the Department's assessment report and other relevant documents for the Commission's consideration.

For further information or to arrange a briefing, please contact Mr Clay Preshaw, A/Director Resource Assessments, on (02) 9274 6349.

Yours sincerely

Marcus Ray
