Dear Mr Bell

The Department of Planning and Environment has forwarded your complaint dated 13 November 2018 to the Independent Planning Commission (Commission).

I note that your complaint is in relation to the content of the Department's letter to the Commission dated 26 October 2018 regarding the proposed cemetery at Wallacia, and specifically, the consideration of Wallacia Village residents in the Department's assessment of the application.

The Commission is not able to comment on the Department's assessment at this time as it is still underway.

At the completion of the Department's assessment, a Commission Panel will be appointed to determine the application. The Commission Panel, once appointed, will undertake public consultation on the application. The Commission notes that the format of this consultation is yet to be determined.

Should you have any questions, please contact Matthew Todd-Jones on 9383 2100 or at ipcn@ipcn.nsw.gov.au.

Sincerely,

David Koppers | Team Leader
