Good afternoon Christine,

Further to our telephone discussion earlier, I would be grateful if you could provide the Commission with the following information as agreed at the meeting last Friday:

- A written explanation of the FSR-out clause,
- A copy of the parking rates currently listed in the Parramatta Local Environmental Plan, and
- Clarification of the existing sliding-scale provisions under Clause 7.2.

Also, the Commission seeks clarification over the status of the planning proposal in light of Council no longer supporting it and requesting its withdrawal.

The Commission requests this information by Friday 5 October.

If you would like to discuss the above please do not hesitate to contact me.

Regards,
Matthew
