## PETITION

### To the Honourable the Speaker and Members of the Legislative Assembly of New South Wales in Parliament assembled

On behalf of residents of the State of New South Wales, we bring to the attention of the House, that the undersigned, voice our support for the **Bylong Coal Project (the Project)**.

This Project will deliver significant benefits to the region including creating approximately 830 direct and indirect jobs in the Mid-Western Regional Council area, and over 1,490 direct and indirect jobs in New South Wales. Further, we believe that the proponent, **KEPCO**, has demonstrated its commitment to working with the Mid-Western community including through its Community Investment Fund.

The undersigned petitioners therefore ask the Legislative Assembly to note the strong support of the Mid-Western Regional Council and communities within the Mid-Western local government area, and the benefits and opportunities that will flow to the region and New South Wales.
