Updates after project commencement:

John Hann was considered for appointment as chair of this project panel. On receiving his nomination letter John responded and informed the Commission that a family member had interest in a parcel of land that was within the immediate vicinity of the project site. Following discussions between Mr Hann and the Chair of the Commission it was decided that due to the potential for a perceived conflict it was agreed that Mr Hann would cease his role as chair of the Panel.

This register is made upon the nomination of Commissioners, to the determination or hearing panel. It may be updated if actual, potential, or perceived conflicts arise during the determination or hearing process.
