RE: Hume Coal Project

Dear Sirs,

I support the findings of the Planning Department and do not want a coal mine in the Southern Highlands. This area is known for it's clean air, agricultural farming, horse studs, wineries, good food and tourism and beautiful countryside that all can enjoy - I don't want to be breathing in coal dust , nor do I want huge trucks and coal trains everywhere , and adding to the emissions that are the end result of coal.

The era of coal is over - Climate change is a reality world wide .

Yours sincerely,

Janice Flint
