Subject: MOOLARBEN COAL MINE ENQUIRY

For the attention of Mary O'Kane.

I refer to your letter of 8th May concerning the Moolarben Stage 1 and 2 Modifications. It was considered appropriate to appoint three Commissioners to consider this matter, therefore I believe three should be available to reach a decision. I therefore object to any proposal to have a two person panel appointed.

My best wishes to Professor Willgoose for a speedy recovery.

DEREK FINTER
