On 11 April 2019, Mr Wilson withdrew from the Commission panel assessing the Island Point Road Residential Subdivision St Georges Basin MOD 3 application. Please see attached letter of withdrawal.

Professor Mary O'Kane
Chair
Independent Planning Commission
Level 3, 201 Elizabeth Street
SYDNEY NSW 2000

Dear Professor O'Kane

Island Point Road, St Georges Basin MOD 3 (D553-19)

I refer to your correspondence of 5 April 2019 advising that the above proposal has been referred to the NSW Independent Planning Commission (IPC) for consideration and determination and that you have nominated myself as Chair and Adrian Pilton to constitute the Panel.

On 8 April 2019 I had previously advised that I was unaware of any actual or perceived conflicts of interest that would preclude me from considering and determining the application. It has since come to light that in 2009 as Executive Director, Major Project Assessments, I determined the initial modification to the project under delegation from the then Minister.

Given the above and consistent with the IPCC's guidelines on '*Managing Conflicts of Interest*', I subsequently withdraw my acceptance to sit on the Panel.

I apologise for any inconvenience.

Yours sincerely
