Good Morning,

I am writing to draw the commissions attention to a submission to be made on Friday 27/11/2020 regarding Jindera Solar Farm (SSD 0549)

Mr Ray Jarick is indicated to be speaking for NSW Farmers in the agenda.

Mr Jarick is not a representative of NSW Farmers. Having spoken to Mr Jarick this morning it was indicated that he was speaking as a farmer. Not as a representative of NSW Farmers. I believe a distinction should be made to clarify this in the meeting and Mr Jarick has agreed that he will also clarify in the opening of his submission.

NSW Farmers is a membership organisation of which Mr Jarick is not a current member. NSW Farmers branches have been involved in the process through a representative attending the site visits and branch submission through our Billabong Branch.

If the commission could confirm receipt of this email and note the clarification within the transcript that would be appreciated.

Kind Regards

**Daniel Brear** | NSW Farmers | Regional Services Manager - South West
