I refer to your application under the *Government Information (Public Access) Act 2009* for all records of correspondence and communications (inclusive of memos, diary notes, file notes, records of telephone conversations, records of meetings, facsimiles, emails and letters) between the Planning Assessment Commission and the Department of Planning and Environment or the Minister for Planning, with regard to the Project, excluding any publicly available information.

I hold authority to make decisions on applications made under the GIPA Act for access to information held by the Commission. The Commission has checked all its records and identified a number of emails that fall within the scope of your application.

The documents that are being released in response to your access application are provided on the enclosed CD. For your ease of reference, the CD contains a list of the documents. Personal contact information has been redacted from the documents in accordance with the Commission's Privacy Statement.
