

COMMISSION FINALISES ADVICE TO MINISTER ON ST LEONARDS SOUTH PROPOSAL

24 July 2019

The Independent Planning Commission NSW has finalised its advice to the Minister for Planning and Public Spaces on a planning proposal for the St Leonards South Residential Precinct.

The former Minister for Planning wrote to the Commission in November last year seeking advice from the Commission regarding the planning proposal's consistency with the vision and design principles of the Department of Planning, Industry & Environment's draft *St Leonards and Crows Nest 2036 Plan*.

The Commission's report to the Minister has today been made publicly available on its website: <https://www.ipcn.nsw.gov.au/projects/2018/11/planning-proposal-for-the-st-leonards-south-residential-precinct>.
