

STATEMENT FROM THE COMMISSION – PUBLIC HEARING

Tuesday 9 July 2019

The Independent Planning Commission wishes to advise that the Public Hearing for the Tahmoor South Coal Project SSD 8445 that was planned for Thursday, 18 July 2019, will no longer go ahead.

This is due to advice received from the Department of Planning, Industry and Environment on 5 July 2019 that the applicant, SIMEC Mining, is intending to make modifications to the proposed mine plan and reject emplacement area for the Project. This correspondence is publicly available on the Commission's website. If you have any questions, please contact the Commission on (02) 9383 2100.
