

BY Group support Whitehaven Coals Vickery Mine Extension application. We are an Aboriginal Construction/Civil/Solar company who have reached out seeking procurement opportunities in the civil and solar space on the Vickery Mine Extension project. Whitehaven Coal have proven in the past and now that their priority is to create employment and procurement opportunities for Aboriginal people/communities. Whitehaven Coal is a leader in the industry setting bench marks with their award winning Indigenous Employment Strategy.

BY Group are also passionate about contributing to growth of local jobs and procurement opportunities where we deliver projects for Aboriginal people and businesses. BY Group core focus also is to identify and work with those who aspire to work in the industry and form strong relationships that are sustainable with the local community and surrounding.

I am happy to directly answer any questions around my commitment and support of White Haven Coal.

Thank you.
