## List of proposed new and extensions of existing coal projects in NSW

### Notes:

- i. As at 24 May 2021, based on info from DPIE/IPCN websites. There may be other proposals not listed.
- ii. L&EC = NSW Land and Environment Court, IPCN = Independent Planning Commission NSW, DPIE = NSW Department of Planning, Industry and Environment, Mt/y ROM = million tonnes per year Run of Mine
- iii. ? **Ashton South East Open Cut** development consent apparently doesn't define end date for extraction
- iv. \* **Bulga** complex not permitted to extract more than a combined total of 20.0 Mt/y ROM
