The Commission has copies of all written submissions made to the Department of Planning and Environment (DP&E) on the proposal in response to its exhibition, so it is not necessary to restate those views. The purpose of this meeting is to hear views on the assessment report prepared by the DP&E with recommendation to approve the proposal subject to conditions, before the Commission makes a decision on the application.

No audio recording is permitted.

The assessment report and recommended conditions are available on the PAC website at www.pac.nsw.gov.au. If you have registered to speak but your name is not on the list, or if you have any other questions, please contact Rebeca Chungue on 9383 2112 or pac@pac.nsw.gov.au.
