Good afternoon,

I submitted a request to speak at the PAC hearings later this week in Mudgee, but the decision has been made at the executive level here at Elanor Investors Group to not have any comment as we would like the locals that live in the region to be the voice that has the biggest impact.

As the owners and operators of Parklands Resort in Mudgee, we will support whatever decision is made regarding the mine. Although there are many positive aspects to the project and the benefits that the Mudgee region will enjoy because of it, it is our view that the people closest to this decision are the residents and local business owners, and it is they who need to be heard.

So, with the greatest respect, may I ask that my name be removed from the potential list of speakers.

Kind regards

David

David Lowe
