Dear Mr Gilligan

I refer to your letter dated 20 June 2017 requesting an extension of time to submit the Commission's report for the Bylong Coal Project.

I have carefully considered your request and given the complexity of the project and the number of representations made to the Commission, I agree to extend the deadline for completing the Bylong Coal Project review.

I would appreciate it if you could complete the review as soon as possible and submit your report to the Department before 31 July 2017.

Yours sincerely
