

APPENDIX A – INSTRUMENT OF MODIFICATION

Modification of Minister's Approval

Section 75W of the *Environmental Planning and Assessment Act 1979*

As delegate for the Minister for Planning, under the Instrument of Delegation executed on 14 September 2011, the Planning Assessment Commission approve the modification of the development consent referred to in Schedule 1, subject to the conditions outlined in Schedule 2.

Member of the Commission

Sydney

2017

10/21351

SCHEDULE 1

Development Consent DA-206-08-2004-i, granted by the former Minister for Infrastructure and Planning on 3 December 2004 for the BlueScope Steel Paint Line and Service Centre at 25-55 Templar Road, Erskine Park in the Penrith local government area.

SCHEDULE 2

The consent is modified as follows:

1. Delete Condition 1.1(j) and replace with new Condition 1.1(j) as follows:

1.1(j) modification request DA-206-8-2004-i MOD 6, accompanied by the letter dated 5 July 2017, from BlueScope Steel (AIS) Pty Ltd and attachments.
2. In Table 2 of Condition 2.8, replace the "L_{A1,1min} or L_{A max}" noise limit of 47 dB(A) with 54 dB(A).
