Dear Ms Briggs

Lynelle

**Integra to Mount Owen Complex - Water Pipeline Modification
(MP 08_0101 MOD 7 and SSD 5850 MOD 1)**

The Department has received modification applications from HV Coking Coal Pty Ltd for the Integra Underground Project and Mt Owen Pty Limited for the Mount Owen Continued Operations Project. The Department's assessment of the proposed modifications and its recommendations are contained within the attached folder.

The modifications are minor in nature and would typically be determined within the Department. However, the Proponent has declared reportable political donations by a related company, Glencore Australia Holdings Pty Ltd. Therefore, in accordance with the Minister's delegations dated 14 September 2011 and 16 February 2015, the modification is now referred to the Commission for determination.

Should you have any enquiries, please contact Howard Reed, Director, Resource Assessments on 9274 6308.

Yours sincerely

**Marcus Ray
