I object to the Rocky Hill coal mine.

I don't want the Rocky Hill coal mine. It is too close to Gloucester, and residential areas.

<sup>ON THIS</sup> I agree with the Dept of Planning. This mine IF approved by P.A.C. would

1) lead to damage of local ecosystems, habitat and HERITAGE LOSS, especially for the INDIGENOUS CITIZENS of the region.

2 This mine would be in the drinking WATER CATCHMENT & cause IRON OXIDE & OTHER POLLUTIONS.

3. Cause Noise in both the HIGH & LOW ranges to Dangerous Levels

4. Lead to Health problems in the residents. I am human, over 70 yrs old. (I am not a racehorse). . . CONT. page 2.

## Reasons To Reject Rocky Hill mine

5. The EARTH is worthy of our care in the same way a gardener cares for a garden.

6. Damage to the environment harms human and other life forms. Those farthest from the centres of power often suffer most.

7. For the sake of the Planet and all its People.

Reduce greenhouse gas emissions. Move away from fossil fuels.

8. Global warming is now indisputable. ~~Accelerated~~ Accelerated by the use of fossil fuels such as Coal and Oil and Gas.

Thank You

Catherine Fry
