Invincible Colliery Southern Extension Modification
Ref D490-17 07-0127 Mod 5

Dear Mr Brown

I am writing to say I support the extension of the Invincible Colliery southern extension. We hope that local people will get some work. The town needs something to build it up we have no shop. no Post Office no food or paper shop. Maybe if the Invincible Colliery get the extension the whole town will change for the better

I ask that you approve the project

Yours Faithfully
A. Tilley
