On behalf of our 7 members of the Cullen Bullen Tidy Towns Committee we wish to express our full support to the Invincible Colliery Sothern extension modification (07-0127MOD5) to go ahead.

We need the employment here, since the last meeting in June 2017 we have had the Shop, Hotel and Post Office closed. It's not hard to see how the closure of the mine has had a major impact on our village.

Over the years the Mines have been a major support to the Cullen Bullen village and the Tidy Towns projects, Progress Hall and Local School.

We can't see why this meeting is being held at Lithgow Workies club at 9.30am.

This time does not give the Cullen Bullen Community much time to take children to school and drive into Lithgow to be included in a meeting that is a major part of Cullen Bullen. In the past all meetings have been held in Cullen Bullen at the Cullen Bullen Progress hall.

Yours faithfully

Cullen Bullen Tidy Towns Committee
