Mr Paul Forward  
Chairperson  
Planning Assessment Commission  
Level 3, 201 Elizabeth Street  
Sydney NSW 2000

Dear Mr Forward,

This project needs to go ahead due to the high unemployment in the area and could you please look at some old photos of the area which would show the hill sides without trees which is in total contrast to the lies that are being told by the anti mining lobbyists.

Yours sincerely Brett Malafant.

The Commission may publish my name, location and this submission. Thank you for the opportunity to comment on this mining proposal.

Yours sincerely,

Brett Malafant
