Dear Ms Old

The Independent Planning Commission (the Commission) has received on 21 March 2018 a submission from the Office of Environment and Heritage (OEH) concerning biodiversity impacts for the proposed Bango Wind Farm Project (attached).

The Commission invites a response from you on the matters raised in the OEH submission. The Commission has also, today, requested the Department of Planning and Environment to respond to the issues raised in the submission.

If you would like to discuss any of the above requests please do not hesitate to contact David Koppers – Team Leader on 9383 2100.

Yours sincerely,

David Mooney
A/Director
Independent Planning Commission
