Dear Sir/Madam

I am a concerned resident, and would like to speak at the public meeting, but unfortunately I won't be in Sydney then.

I am particularly anxious about the problem of Dial a Dump industries' pollution of fresh water reservoirs (Prospect Reservoir) and all of the State Government's assets like the Sydney International Equestrian Centre, Western Sydney parklands, Calmsley Hill City Farm, Sydney International Shooting Centre, Blacktown international sports park. What are they thinking?

Regards

Elizabeth Peoples
