[CONSTRUCTION MANAGEMENT PLAN 231118.pdf](#)

Good Morning Sally,

Please find attached to this email a draft Construction and Traffic Management Plan to close out matters raised over the past fortnight.

I note we have submitted this in draft to allow for a condition to be added to any consent issued for the site requiring a Construction Management Plan to be provided prior to the relevant Construction Certificate. This would be prepared by the successful tenderer of the project in order to provide an appropriate level of detail and accuracy. We can remove the draft watermark should the Department wish to proceed in this fashion.

Thanks
Cameron
