

CONFLICT OF INTEREST PROJECT REGISTER

This register of conflicts is specific to the project below.

Date: 31st August 2018

Project: Request for Gateway Determination Review Various Sites within the Kensington and Kingsford Town Centres

Nominees:	Actual, potential, or perceived conflict:	Action:
John Hann (chair)	Nil	Proceed with nomination
Chris Wilson	See below	
Stephen O'Connor	Nil	Proceed with nomination

Updates after project commencement:

Chris Wilson was considered for appointment to this project panel. On receiving his nomination letter Chris responded and noted that in a previous role (working for the NSW Government) he signed off on an approval for the light rail project. Whilst this was not strictly a conflict of interest the light rail project will run through the Kensington and Kingsford town centers. It was agreed his involvement may give rise to a perceived conflict of interest and therefore he would not participate.

This register is made upon the nomination of Commissioners, to the determination or hearing panel. It may be updated if actual, potential, or perceived conflicts arise during the determination or hearing process.
