RE: United Wambo Open Cut Coal Mine Project (SSD 7142) and associated modifications (DA 305-7-2003 MOD 16 and DA 177-8-2004 MOD 3)

I write in relation to the the Independent Planning Commission's proposed conditions on the expansion of the mine and would like to voice my support for the condition. Further I would add that to make this meaningful, it is imperative that the condition include an annual review function in order to remain in line with the Paris targets.
