Dear Mr Wills

Re: United Wambo Open Cut Coal Mine SSD 7142

Thank you for your 14 February 2019 letter requesting additional time to provide a written response to the Independent Planning Commission (IPC) to respond to matters taken on notice at the Project Briefing held on 5 February 2019 and to the key issues raised by the community at the public meeting held 7 February 2019.

I have considered your request and decided to grant an extension of time.

Kind regards,

Tony Pearson
