Professor Mary O'Kane AC  
Chair  
Independent Planning Commission NSW  
Level 3  
201 Elizabeth Street  
Sydney NSW 2000

Dear Professor O'Kane

In the light of recent events and in the interests of the Commission, I feel it is appropriate that I withdraw from the panel considering the Vickery Extension Project to ensure the focus remains on important planning matters of most concern to the community.

Sincerely,
