Dear Mr Hann

Public meeting for the Vickery Extension Project SSD 7480 – request for separate meeting of experts in Sydney

1. As you know, we act for Lock the Gate.
2. We refer to our letter dated 12 February 2019 in which we requested that the IPC hold a meeting to allow our client's independent experts to present their evidence to the IPC. We note that we are yet to receive a response to our request.
3. We are aware that the Applicant met with the panel at a separate private briefing on 25 February 2019 and at a supplementary meeting on 5 March 2019.
4. We are grateful for your consideration of our client's request and await your response.

Yours sincerely,
EDO NSW
