Subject: Crudine Wend Farm MOD1 Support Statement
Date: Monday, 3 June 2019 5:39:21 PM

Chairperson,

We reside at [REDACTED], Carcalgong and are approximately 4 Km from the proposed wind farm.

We have been permanent residents of Arrons Pass Road since 2000, during which time we have had numerous problems with the narrowness of the road in sections and blind bends on the road leading to hazardous driving conditions from time to time.

With the advent of construction of the proposed wind farm, my wife and I are in full support of the upgrading of the road included in this proposal. This will ensure safer driving conditions and improved access for heavy vehicles

Regards,

Diane & David Groves
