Dear Mr Linnane,

**Rix's Creek South Continuation of Mining Project (SSD 6300)  
Meeting with Singleton Council**

The Independent Planning Commission (**Commission**) is considering the Rix's Creek South Continuation of Mining Project SSD 6300 (**Project**) in the Singleton LGA. The Commission would like to meet with Singleton Council (**Council**) to hear the Council's views (both elected officials' and management's views) on the Project as part of the Commission's decision-making process for the determination.

The Commission is seeking a meeting with relevant Council elected officials and management on Monday 29 July 2019 at 3:30 pm at the Council's premises, 12-14 Queen St Singleton.

If it would be helpful, we would be happy to have two meetings, one with elected officials, one with management.

In the interests of openness and transparency, and to ensure full capture of information, the meeting(s) will be recorded and a full transcript will be produced and made available on the Commission's website.

There is also a public meeting scheduled for this Project at 10:00 am, Monday, 29 July 2019 at your Civic Centre, 12 Queen St Singleton. Registrations to speak at the public meeting are open till 5:00 pm Wednesday 24 July 2019. Thank you for making the Civic Centre available to us for this public meeting.

As speaker registrations are still open, the Commission would appreciate if there is flexibility to move the meeting to earlier in the afternoon in the event there are significantly fewer public registrations than anticipated.

If you have any questions, please contact Dennis Lee, Team Leader on 9995 6331 or [dennis.lee@ipcn.nsw.gov.au](mailto:dennis.lee@ipcn.nsw.gov.au).

Regards,

Sam McLean
