This register of conflicts is specific to the project below.

Date: 15/07/2019

Nominees:	Actual, potential, or perceived conflict:	Action:

Soo-Tee Cheong	Nil	Proceed with Nomination

Updates after project commencement:

Ms Annelise Tuor is currently a member of the North Sydney Planning Panel and in that capacity considers proposed development and makes decisions in relation to development and planning matters in the local government area within which the site is located. However, she has not worked on this project or any other matters involving the same applicant or the same site

The Commission finds this is something that should be declared, however, is not a breach of the Commission's Conflict of Interest Policy, nor does it prevent Ms Tuor from Chairing the Commission Panel

On 12 July 2019, Ms Tuor, declared that she knows the Chairman of the St Aloysius Board professionally and through her partner. Ms Tuor declared that the Chairman of the St Aloysius Board is not a close friend or colleague nor does she have regular contact with him.

The Commission finds this is something that should be declared, however, is not a breach of the Commission's Conflict of Interest Policy, nor does it prevent Ms Tuor from Chairing the Commission Panel

This register is made upon the nomination of Commissioners, to the determination or hearing panel. It may be updated if actual, potential, or perceived conflicts arise during the determination or hearing process.
