Dear Casey,

On 2 December 2019, the Commission requested the Department undertake further consultation and supplement its Assessment Report for the above project with an assessment of the proponent's proposal to amend condition B5(1) of the Concept Plan Approval as detailed in the additional information prepared by Ethos Urban dated 15 October 2019 and supporting documentation.

Please find attached the Department's addendum report and recommended instrument, and please let me know if you require any additional information.

Regards,

Keiran
