Wahroonga Estate Concept Plan MOD 8

Thank you for the opportunity to comment on the additional information for the Wahroonga Estate Concept Plan Modification 8. The NSW Department of Primary Industries Biosecurity and Food Safety (NSW BFS) provides advice to consent authorities about the importance of managing biosecurity and food safety risks.

NSW BFS have reviewed the proposed modifications and recommend that the Biodiversity Plan be amended to refer to, and be consistent with, the Biosecurity Act 2015 (NSW) and its supporting plans, the Greater Sydney Regional Strategic Weed Management Plan and the Greater Sydney Regional Strategic Pest Management Plan.

Should you wish to discuss this matter further, please contact biosecurity@dpi.nsw.gov.au; 1800 680 244.

Yours sincerely

A handwritten signature in black ink that reads 'Andrew Sanger'.

Dr Andrew Sanger

Director, Invasive Species Biosecurity
