Subject: Wahroonga Estate MOD 8 - C Coville
Date: Wednesday, 13 November 2019 10:27:46 AM

I oppose the proposed development of approximately 200 units by the SAN Hospital on the Wahroonga Estate for the many reasons already submitted to the IPCN by others
e.g. over development, bush fire management and evacuation issues, increasing traffic congestion on single lane Fox Valley Road and out dated traffic reviews, parking issues, inadequate public transport and easy access to railway transport.

Yours sincerely,
Charles Coville
