Subject: Modification to Nords Wharf Concept plan.

Dear Sirs,

We are writing in relation to the Modification to Nords Wharf Concept Plan Approval (MP10_0088 MOD 1).

The developer would like the intersection Pacific Highway and Awabakal Drive to be a left-in, left-out only, forcing the traffic to come through our village. We are in favour of the Commission's option of a signalised seagull intersection.

I live on Government Road, Nords Wharf and we already have a problem with speeding traffic on this road. There are no footpaths, and hence, the young children ride scooters etc. on the road. It is already dangerous, and any further traffic will only exacerbate the danger.

Regards,
Ian and Barbara Gibbon
