John Hann perceived conflict:

5 February 2020:

John Hann identified that he formerly conducted consulting work for a company not related to this application. A board member of that unrelated company also holds board membership in respect of the Applicant. Commissioner Hann is not personally acquainted with that board member.

Dianne Leeson (as nominee of the chairperson) considered the above conflict of interest and determined the nomination of John Hann to the Panel can proceed.

This register is made upon the nomination of Commissioners, to the determination or hearing panel. It may be updated if actual, potential, or perceived conflicts arise during the determination or hearing process.
