Subject: OBJECTIONS RE DESTRUCTION OF PILLIGA FOREST
Date: Monday, 15 June 2020 5:10:53 PM

I am truly astonished to hear that 1,000 hectares of the invaluable Pilliga Forest and all of the precious animals and birds in it are going to be destroyed for the CSG project.

Are you people crazy?

70-90% of the woodlands have already gone in NSW. This is unbelievable and has to be stopped.

Professor Phil Hansbro
