Government has ^{suggested by} only implemented 2 of the 16 recommendations which where the chief scientist back in 2014. I Live In Coonamble and we depend on Artesian Bore water to see the Government not following through with these when we know from Queensland's experience how fracking interferes with the Earth's ~~base~~ structure. is very, very distressing & upsetting. Coonamble relies on bore water, if we lose this our town will die. The chemicals used in this process is proven to be harmful & VERY Toxic to the environment. These companies do NOT generate jobs or give our towns, an economic income which is sustainable for an ongoing economy. Money from the Gas companies should NOT determine which way our Government votes on these ~~our~~ decisions. Serious thought needs to be put into this before any
