I object for Companies or anyone drilling for cold seam gas. It is far too dangerous with the great Artesian Basin under all this land. If any drilling went through to GAB it could ruin that wonderful water. I have

Please continue on back side.

6 grandchildren & so far 2 great grandchildren who will be living here & someone now using that water. I don't want this land to be a big gasfield. The country is very fertile and farmers deserve to be able to continue running their properties for generations to come.
