At the recent AGM of the Narrabri Show Society held on the 3rd August 2020 the members where all in agreement that the Narrabri Show Society express our support of Santos and the CSG Industry in our Area.

Since opening their operations in Narrabri, Santos has been a generous supporter of community organisations and events and has proven itself as to be a good corporate citizen in the local community and broader region.

They have provided ongoing support for the Narrabri Show Society by way of both financial and in-kind contributions since 2012 which has assisted us with hosting our annual Show as well as numerous other events throughout the year such as young judging events and the annual flower show.

Their contribution has included being the Major Sponsor of the Narrabri Show since 2012 and in-kind support by way of loaning equipment and allowing staff and contractors time to assist with the work to ready the grounds and set up in the lead up to the annual Show.

Santos of have become an integral part of the Narrabri Show Society and the Narrabri community,

The Narrabri Show Society are extremely thankful to Santos for their support and look forward to their future participation in the Narrabri community should the project be approved.
