My name is Patrick, a proud Gomerioi Man who objects to the Narrabri Gas Project.

On behalf of Aunty Polly Cutmore & Community, I send to you a petitions that oppose the Narrabri Gas Project that will have both short & long term detrimental health impacts to all, including our flora and fauna.

Attached are the hand signed signatures of those who objects tho project.

We also received over 4000 via our online petition which will be sent accordingly.

Please help us protect this beautiful and plentiful country for the future generations same.
