Instructions to users

This form is to be completed if you wish to request an independent review related to plan-making under Part 3 of the Environmental Planning and Assessment Act 1979. This form relates to Gateway determination review requests.

A Gateway determination review can be sought following a Gateway determination where a determination is made that:

- a) the planning proposal should not proceed;
b) the planning proposal should be resubmitted to the Gateway; or
c) imposes requirements (other than consultation requirements) or makes variations to the proposal that the proponent or council thinks should be reconsidered.

Note: With reference to point 'c' above, a request to review a Gateway determination can only be made prior to the commencement of community consultation on the planning proposal.

Note: Gateway reviews can only be sought if the original Gateway determination was made by a delegate of the Minister.

Before lodging a request for review, it is recommended that you consult the Planning Circular 'Independent reviews of plan-making decisions' and 'A guide to preparing local environmental plans', which can be found on the Department's website www.planning.nsw.gov.au. The guide gives a step-by-step explanation of the review procedure and submission requirements.

To ensure that your request for review is accepted, you must:

- complete all relevant parts of this form
submit all relevant information required by this form
provide one hard copy of this form and required documentation
provide the form and documentation in electronic format (e.g. CD-ROM)

Note: The Department may request further information if your request for review is incomplete or inadequate.

A fee is not charged for a Gateway determination review.

All requests must be lodged with the Department's relevant Regional Office. Please refer to www.planning.nsw.gov.au for contact details.
