Dear Genevieve,

Re: Schedule of lands for Brandy Hill Quarry Expansion Project (SSD 5899)

It has been identified that there is inconsistency between the site boundary exhibited within the Brandy Hill Quarry Expansion Project EIS submission and the boundary that has been assessed and presented to the Independent Planning Commission (IPC Panel). We note that this inconsistency is due to Hanson purchasing Lot 25 DP1101305 after the EIS was submitted. Hanson request that all lots within the indicated site boundary image attached are to be included within the Schedule of Lands for project application SSD 5899 (Appendix 1 of the draft conditions of consent).

As a result, Hanson provides land owner's consent for the Schedule of Lands to include the following Lot and DP.

- Lot 100 DP 712886
- Lot 1 DP 264033
- Lot 2 DP 264033
- Lot 101 DP 712886
- Lot 12 DP 264033
- Lot 25 DP 1101305

- Lot 36 DP 752487
- Lot 236 DP 752487

- Lot 57 DP 752487
- Lot 58 DP 752487
- Lot 2 DP 823760
- Lot 19 DP 752487
- Lot 20 DP 752487
