Dear Mr Sprott,

Dunmore Lakes Mod 2 – Request for Comment on Conditions

I write in relation to the Dunmore Lakes Mod 2 Project, currently before the Independent Planning Commission (Commission) for determination.

The Commission is considering amendments to the conditions of consent and is seeking comment from the Department of Planning, Industry & Environment (Department) on the workability and appropriateness of the amendments and whether there would be any unintended consequences.

The Commission would be grateful if the Department could provide a response to these matters by 12pm on Friday 13 November 2020.

Should you have any questions, I have asked Mr Brad James, Principal Case Manager, [REDACTED] or [REDACTED], to liaise directly with you.

Yours sincerely

Steve Barry
A/Executive Director
