Hi Shaun,

Please find attached the transcript from the meeting between the Department and Commission on 13 October 2020.

In addition to confirming that the proposed car park is located in the Environmental Farm area of the site, could you also please explain the Department's consideration of the permissibility and potential impacts of the proposed car park.

Could I please ask that you provide a response by 5pm on 20 October 2020.

Kind Regards,

Lindsey Blecher
